38.04.03	Personnel Management	2 years	74390 rubles
Institute of Innovative Technologies			
Mechanical Technological Faculty, building 2, lecture room 233			
22.04.02	Metallurgy	2 years	80540 rubles
15.04.05	Technological Construction of software of engineering industries	2 years	78080 rubles
27.04.05	Innovatics	2 years	74390 rubles
15.04.04	Automation of technological processes and production	2 years	125680 rubles
Faculty of Radiophysics, Electronics and Medical Equipment, building 3, lecture room 204			
13.04.02	Electricity and Electrical	2 years	125680 rubles
12.04.01	Instrumentation	2 years	125680 rubles
12.04.04	Biotechnical Systems and Technologies	2 years	125680 rubles
11.04.01	Radio Engineering	2 years	125680 rubles

11.04.03	Design and Technology of Electronic Means	2 years	125680 rubles
Faculty of Information Technologies, building 2, lecture room 402			
10.04.01	Information Security	2 years	125680 rubles
27.04.04	Control in Engineering Systems	2 years	78080 rubles
09.04.01	Informatics and Computer Engineering	2 years	125680 rubles
09.04.02	Information Systems and Technologies	2 years	125680 rubles
09.04.03	Applied Informatics	2 years	74390 rubles
09.04.04	Software Engineering	2 years	125680 rubles
Faculty of Architecture and Civil Engineering, building 2, lecture room 525			
08.04.01	Building	2 years	78080 rubles
Faculty of Automobile Transport, building 2, lecture room 329			
23.04.03	Exploitation of transport and technological machines and systems	2 years	125680 rubles
13.04.03	Power Mechanical Engineering	2 years	125680 rubles
23.04.01	Technology of Transport Processes	2 years	74390 rubles
15.04.06	Mechatronics and Robotics	2 years	12568 rubles
27.04.01	Standardization and Metrology	2 years	78080 rubles
221400.62	Quality Control	2 years	74390 rubles
Institute of Applied Mathematics, Computer Science, Biotechnology and Nanotechnology			
Faculty of Applied Mathematics and Physics, building 3, lecture room 432			
02.04.01	Mathematics and Computer Sciences	2 years	74390 rubles
01.04.02	Applied Mathematics and Informatics	2 years	78080 rubles
04.04.01	Chemistry	2 years	78080 rubles
06.04.01	Biology	2 years	78080 rubles
05.04.06	Ecology and Nature Management	2 years	78080 rubles
12.04.05	Laser engineering and laser technology	2 years	125680 rubles
18.04.02	Energy and resource saving processes in chemical engineering, petrochemicals and biotechnology	2 years	125680 rubles
18.04.01	Chemical Engineering	2 years	125680 rubles
Institute of Arts, Nikitskaya street, 1, lecture room 30			
44.04.01	Pedagogical education	Art and pedagogics Cultural and educational tourism	74390 rubles
