We are always glad to see new students coming from other universities to study here!

Within the framework of student exchange you can get not only new knowledge on your specialty, but also get acquainted with education system in Russia, culture and traditions, and improve your Russian.

Exchange students can apply to various funds and organizations in their countries and in Russia for a scholarship to get financial support to study abroad / at Vladimir State University. If your university is a partner of Vladimir State University you don't have to pay for studies.

Before applying to us please find out if at our university there is [the specialty](#) you study at home institution.

So if you intend to take an internship at our university please send [an application form](#) and the following documents (copies):

- a certificate/information from home university to prove that you are a student of the named specialty (field of study). It should be done on official paper of the university signed and sealed;
